181st Scientific Conference
August 5-8, 2010
Suncadia Resort
Cle Elum, WA

Here is a brief summary of the evaluations from the 179th Scientific Conference:

- * Excellent program, nice format & well organized
- * Better than last year
- * Enjoyed very much
- * Excellent (23)
- * Excellent conference nice mix of speakers, love the venue
- * Excellent, more “clinical pearls” than usual
- * Remember that the audience is primary care
- * Good speakers
- * The conference facility was adequate but pricey!
- * Great program
- * HUGE Thanks to the NPPS officers. Wonderful conference & I know how much volunteer time is involved in putting this together!
- * Very fine conference. Thank you!
- * Please put categories at the top of each page. As always – good practical information
- * Great selection of speakers! Largely relevant to general clinical peds.
- * Excellent – As usual for the NPPS program
- * Great meeting – lots of clinically useful info. Great speakers
- * Excellent – the best yet!
- * Very good (8)
- * Loved the resort!!
- * Outstanding as usual
- * Great (5)
- * Excellent good discussion
- * Good food, great location
- * Very well organized + very family friendly
- * Program great, the place not so much. Food expensive, not enough activities for families
- * Course program was excellent. I am less pleased with the facility
- * Really great
- * Very good speakers!
